Message from Board Chair and Executive Director

I am honored to step into the role of Board Chair for Young Horizons. I have been an educator in the Pre-K-12 setting throughout my thirty-four-year career in education, and I am looking forward to my new role in the Young Horizons' family.

Frank Gutierrez
Board Chair

Being a board member since 2017, I have seen tremendous changes over the last few years. All five centers have been painted, received new furniture and playground equipment, and updated signage. The centers have never looked better.

I continued to be impressed by the commitment and passion of the staff at Young Horizons. I recently attended an event at one of our centers and it was exciting to see the staff interaction with their students and families. The families were engaged in learning together with their child and having a great time.

The mission of Young Horizons is alive and making a difference in our community. I know that we are going to have a fantastic year.

We are pleased to share our annual report with you that highlights the accomplishments we have achieved. I am so grateful for all our staff, contributors, supporters and especially our board members who tirelessly share their expertise and time with us. Thank you to our newly elected board chair, Frank Gutierrez, for stepping into this role and leading our agency to reach our goals.

Sarah M. Soriano
Executive Director

As we are finalizing our strategic plan, I am excited to see the direction Young Horizons is taking and look forward to sharing more information with you.

We're on the right track to continue giving children the early education and learning opportunities they deserve.
